

# A Woman Like You

Lee Brice

Last night out of the blue  
Driftin off to the evenin news  
She said Honey, what would you do  
If youd have never met meI just laughed, said I dont know,  
But I could take a couple guesses though  
And then tried to dig real deep,  
Said, Darlin, honestlyId do a lot more offshore fishin,  
Probably eat more drive-thru chicken,  
Take a few strokes off my golf game.  
If Id a never known your name,  
Id still be drivin that old green nova,  
I probably never would have heard of yoga,  
Be a better football fan.  
But if i was a single man  
Alone and out there on the loose  
Id be lookin for a woman like youWell, I could tell that got her attention  
So I said, Oh yeah, I forgot to mention.  
I wouldnt trade a single day  
For a hundred years the other way.  
She just smiled and rolled her eyes  
Cause shes heard all of my lines  
I said, Cmon on girl, seriously  
if i hadnt been so lucky,Id be shootin pool in my bachelor pad,  
Playin bass in my cover band,  
Restockin up cold Bud Light  
For poker every Tuesday night, yeah  
Id have a dirtbike in the shed  
And not one throw pillow on the bed.  
Id keep cash in a coffee can,  
But if i was a single man  
Alone and out there on the loose  
Id be looking for a woman like youShe knows what a mess id be if i didnt have her here  
But to be sure, i whispered in her earYou know I get sick deep-sea fishin  
And you make the best fried chicken,  
I got a hopeless golf game,  
I love the sound of your name,  
I might miss that old green nova,  
But i love watchin you do yoga.  
Id take a gold band on my hand

Over bein a single man  
Cause honestly, I dont know what Id do  
If Id never met a woman like you
