Twerk Lesson (feat. Lexy Panterra)

DJ Battle

I think it's time to get it started, i know you want it
I think it's time to get it started,
I 'll be there right when you want me
I'll touch you right where you need me
Put it on me, put it on me(I think is time for a twerk lesson)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you working all that)
(I wanna see you)
Got the dj playing right yeah
You got me feelin' kind of something
I'm really feeling

I think we're gonna do it

I'll touch you right where you need me
