

Something In the Way (feat. Francesca Belmonte)

Tricky

Underneath the bridge
The tarp has sprung a leak
And all the animals I have trapped
Have all become my pets And I'm living off the grass
And the drippings from the ceiling
It's okay to eat fish
'Cause they don't have any feelings Something in the way
Something in the way Underneath the bridge
The tarp has sprung a leak
And all the animals I have trapped
Have all become my pets And I'm living off the grass
And the drippings from my ceiling
It's okay to eat fish
'Cause they don't have any feelings Something in the way
Something in the way
Something in the way
Something in the way
