

Fallen Angel

Debbie Gibson

VERSE 1:

I've always tried to break through your walls of fire
An angel in love can always fly much higher
'Til I looked in your eyes
That's when I left the skies

CHORUS:

Take me now I'm your fallen angel
You taught me why angels fall
Watch me fly, your fallen angel

I can break through your walls

VERSE 2:

With all of the dreams that we had together now
(we've had together baby) It's hard to believe that this is forever now
And when I heard your call

You were there to catch my fall

CHORUS Oh, love's a test from the heavens

Turns an angel's dreams around

You're the best that I've discovered

All your red hot love I've found (ah-ah, ah-ah)

CHORUS Love's a test from the heavens

Turns an angel's dreams around

You're the best that I've discovered

All your red hot love I've found

CHORUS Take me now (fallen angel)

You took it well

(Fallen angel..)
