Goodbye Tomorrow

The Hollies

Now I see you and you laugh, my friend
"Didn't I tell you so," you say
I just want to be alone, my friend
Will you please just go away

Today goes on like any other day
It doesn`t know, it doesn`t care
Never knew what loneliness could mean,
having love and then despair

[Chorus]

Goodbye tomorrow, I'm leaving you today
Goodbye tomorrow,
Don't you be grieving 'cause I'm leaving
It won't matter to you anyway

Now it's over What am I to do
Will I find the love of you
Can I be sure she'll know what loving means
Can someone else love like you

[Chorus]

Goodbye tomorrow, Γm leaving you today
