Let`s Talk About Love

ìŠ¹ë¦¬

Let me rock you, let me roll you
Take my hand
I will take you to a new start
Calling the promised landLet me love you, let me hold you
With all my heart
Trust me baby, like I trust you
I did from the startAnd each and every day
I'm gonna always sayLet's talk about love, love, love, love
That's all I'm dreaming of
Let's talk about love, it's up to you
To make your dreams come trueLook in my eyes, there is a way
Don't throw your dreams away
You'll never lose, keep love alive
Babe, then our love surviveLet me rock you, let me roll you
I'll be close to you
We can have a one way trip
To paradise for twoThere is so much, all can give you
I'll give all my heart
We can always be together
And never break apartAnd each and every day
I'm gonna always sayLet's talk about love, love, love, love
That's all I'm dreaming of
Let's talk about love, it's up to you
To make your dreams come trueLook in my eyes, there is a way
Don't throw your dreams away
You'll never lose, keep love alive
Babe, then our love surviveLet's talk about love, love, love, love
That's all I'm dreaming of
Let's talk about love, it's up to you
To make your dreams come trueLet's talk about love, love, love, love
Talking about love
(Love, what your talking about, talking about)
Let's talk about love, love, love, love
Talking about love
(Love, what your talking about, talking about)
Let's talk about love, love, love, love
