

# When We Collide

[Matt Cardle](#)

You say I love you, boy  
I know you lie  
I trust you all the same  
I don't know why 'Cause when my back is turned  
My bruises shine  
Our broken fairy tale  
So hard to hide I still believe  
It's you and me 'til the end of time When we collide we come together  
If we don't we'll always be apart  
I'll take a bruise, I know you're worth it  
When you hit me, hit me hard Sitting in a wishin' hole  
Hoping it stays dry  
Feet cast in solid stone  
I've got Gilligan's eyes I still believe  
It's you and me 'til the end of time When we collide we come together  
If we don't we'll always be apart  
I'll take a bruise, I know you're worth it  
When you hit me, hit me hard 'Cause you said love was letting us go against what  
Our future is for many of horror  
Our future's for many of horror I still believe  
It's you and me 'til the end of time When we collide we come together  
If we don't we'll always be apart  
I'll take a bruise, I know you're worth it  
When you hit me, hit me hard
