

Feels So Right

Alabama

Whisper to me softly
Three words upon my skin
No one's near and listenin'
So please don't say goodbye
Just hold me close and love me
Press your lips to mine
Mmm, feels so right, feels so right
Lying here beside you
I hear the echoes of your sighs
Promise me you'll stay with me
And keep me warm tonight
So hold me close and love me

Give my heart a smile
Mmm, feels so right, feels so right
Your body feels so gentle
And my passion rises high
You're lovin' me so easy
Your wish is my command
Just hold me close and love me
Tell me it won't end
Mmm, feels so right, feels so right, feels so right
Aww, you feel so right, baby
