

You First Believed

Hoku

You first believed

How many times did I pray You'd find me?

How many wishes on a star?

Gazing off into the dark

Dreaming I'd see Your face

Safe at home unafraid

Captured in Your embrace

So many times when my heart was broken

Visions of You would keep me strong

You were with me all along

Guiding my every step

You were all that I am

And I'll never forget

It was You who first believed

In all that I was made to be

It was You looking in my eyes

You held my hand and showed me life

And I've never been the same

Since You first believed

There were times when I thought I'd lost You

Fearing forever was a dream

But it wasn't what it seemed

Placing Your hand in mine

You could see in the dark

You were guiding my heart

It was You who first believed

In all that I was made to be

It was You looking in my eyes

You held my hand and You showed me life

And I've never been the same

Since You first believed...

It was You who first believed

In all that I was made to be

It was You looking in my eyes

You held my hand and You showed me life
And I've never been the same
Since You first believed

How many times did I pray You'd find me?
How many wishes on a star?
