Godsmack

Decisions made from desperation
No way to go
Internal instincts craving isolation
For me to growMy fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realignFell in a river of illusion
And apathy
Drowning in a self-induced confusion
I'd rather be YEAH!My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realignMy fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realignMy fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realignMy fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realignYeah!
