Save Me

Avenged Sevenfold

Skull!They all know, they all knowSorry, did I wake your dreams?
Some questions run too deep
We only, only wake up when we sleepLed by the lunar light
Trouble's all we find
Lost our way tonightIs it something we said?
Is it something we said to them?
Is it something we said?Save me, I'm trapped in a vile world
Save me, where the endings
Are the same as every other
We're only here to dieSave me, I'm losing my only dream
Save me, I can use some guiding light
Some place to go
If you hear me let me knowThey all know, they all knowEver since the day you left
My fate's been set unknown
How many years
To walk this path alone?So much to see tonight
So why'd you close your eyes?
Why can't I shut mine?Is it something we did?
Is it something we did to them?
Is it something we did?Save me, I'm trapped in a vile world
Save me, where the endings
Are the same as every other
We're only here to dieSave me, I'm losing my only dream
Save me, I can use some guiding light
Some place to go
If you hear me let me know
If you hear me let me knowHelp me find my way
Said help me find my wayNo pulse inside of me
Stone cold lips and heresy
All lies into a degree
Losing you I wanna beYou'll find out, right now
He may be out of his mind
But someday you will find
That sanity has left us all blind
And dragged us all behindA moment seen with those eyes
Crystal blue disguise
They say that all beauty must die
I say it just moves onIf you'd only open your mind
Then someday you will find

Insanity left us behind
And walk right through the doorI can see the picture's clear as yesterday
Pictures of my own
I can hear the voices begging you to stay
But know you're not aloneSave me, I'm trapped in a vile world
Save me, where the endings
Are the same as every other
We're only here to dieSave me, I'm losing my only dream
Save me, I can use some guiding light
Some place to go
If you hear me let me know
If you hear me let me knowTonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die youngTonight we all die
Tonight we all die young
