Slammin'

Dutch Courage

You're like a stone baby
All alone baby
Come alive when you're high, yeah
I'm on the road steady
Hot as hell ready
I'm the next one in line, yeah
Slammin', it's your back side baby
Off the hook and so out of line, yeah
Slammin', is your top side heavy?
Damn you gotta give me some time, yeah
We gotta sex lady
Stone cold crazy
Let me come from behind, yeah
I'm on the phone beggin'
Give me a piece of heaven
I'm only here for the night, yeah
Slammin', it's your back side baby
Off the hook and so out of line, yeah
Slammin', is your top side heavy?
Damn you gotta give me some time, yeah
After the last song she comes around
Saturdays, holidays
We're always making the rounds, yeah
I need some face women
Please be my dirty lover
Just do wrong don't do right, yeah
I'm on the stage burning
Keep the heads turning
Give it all for the life, yeah
Slammin', it's your back side baby
Off the hook and so out of line, yeah
Slammin', is your top side heavy?
Damn you gotta give me some time, yeah
Slammin', it's your back side baby
Off the hook and so out of line, yeah
Slammin', is your top side heavy?
Damn you gotta give me some time, yeah
Time, time, time
