

# Don't Bother Me

## Murphy's Law

I just wanna have some fun  
And I don't want to have to hurt no one  
You just leave me be  
When I'm all alone, I'm so happy, yeah And I don't want to hang around  
I don't want you to drag me down  
Why can't you just leave me be  
Oh, don't bother me I woke up on the wrong side of bed  
I got an aching in my big fat head  
I drank too much the night before  
Now I laugh at you as you slam my door  
'Cause I don't want to hang around  
I won't let you drag me down  
Why won't you just leave me be  
Oh, don't bother me
