## Daya

When you walk past  
That park near your apartment now  
Do you think about me?  
Do you think about me? Do you drive fast  
When you realize you're on my street?  
Do you drive slowly?  
Do you think about me? Thought I could pack up my suitcase  
And just walk away (walk away)  
Leave you with all of the shit I didn't want to take  
My mistake  
I'm missing you  
I'm missing you  
What the hell did I do " did I do?  
Messing with someone new  
Thinking I wanted to  
Turns out I don't want new-  
I want you I'm missing you  
I'm missing you  
What the hell did I do " did I do?  
Messing with someone new  
Thinking I wanted to  
Turns out I don't want new  
I want you [DROP]  
Don't want new, I want you  
Don't want new, I want you  
I'm in his bed  
Right next to him, but he don't know  
I'm just thinking 'bout you  
I'm thinking 'bout you When it's 3am  
And I'm at that diner with his friends  
I ain't thinking 'bout them  
I'm just thinking 'bout you Thought I could pack up my suitcase  
And just walk away (walk away)  
Leave you with all of the shit I didn't want to take  
Want to take I'm missing you  
I'm missing you  
What the hell did I do " did I do?  
Messing with someone new  
Thinking I wanted to

Turns out don't want new  
I want you I'm missing you  
I'm missing you  
What the hell did I do " did I do?  
Messing with someone new  
Thinking I wanted to  
Turns out don't want new  
I want you [DROP]  
Don't want new, I want you  
Don't want new, I want you Thought I'd be better without you  
I can't stop thinking about you  
Now I'm with someone new  
Thought I'd be better without you  
I can't stop thinking about you  
Now I'm with someone new  
I'm missing you  
I'm missing you  
What the hell did I do " did I do?  
Messing with someone new  
Thinking I wanted to  
Turns out don't want new  
I want you Messing with someone new  
Thinking I wanted to  
Turns out I don't want new  
I want you
