Not the Marrying Kind

The Triffids

I can take you any place that you wish
buy you foreign wine any fancy dish
but when the night is through, hey baby me and you
are going to say goodbye with just one parting kissIt should be plain to see I can`t take those vows that bind
you`re not the girl for me and I`m not, I`m not the marrying
kindBaby you`ve been drinking far too much
you`ve been slipping out of touch
you`ve got to realize that under this disguise
you`re double crossed, speaking double dutchIt should be plain to see I can`t take those vows that bind
you`re not the girl for me and I`m not, well I`m not the
marrying kind
It should be plain to see I can`t take those vows that bind
You`re not the girl for me and I`m not, I`m not the marrying
kind
