Speak When Spoken To

Freak Kitchen

There's something foul with my oral opening
I can not seem to control it, I object to everything
You know, I'm talking all the timeBut I've got bupkiss to say
The ka-ka my vocal cords produceEven outdid my ass todayShut up!
Shut up!
Shut up!Speak when spoken to
Speak when spoken to
Speak when spoken to
Speak when spoken to
Pseudo-provocative, I haven't got a clue
What I'm referring to, I just argue 'til I turn blue
The sound of my own voice gives meAn intellectual high
I get off on my own arroganceI'm so cynical I could cryShut up!
Shut up!
Shut up!Speak when spoken to
Speak when spoken to
Speak when spoken to
Speak when spoken toMy mouth's in good shape
My lips are itching
Spare me some duct tape
Blah, blah, blah, blah, blah
Blah, blah, blah, blah, blahShut up!
Shut up!
Shut up!Speak when spoken to
Speak when spoken to
Speak when spoken to
Speak when spoken to
