

# My False

[Matt Corby](#)

You see I don't know where I'm running to,  
It's become quite hard to see.  
There's a guilty weight on my conscience,  
Of all my wrongful deeds. It's time to reconcile.  
It's time to reconcile. Oh if I walk into the darkness I'll be lost.  
If I try to stay the light will show my false. I will keep my head in the sand, dear.  
Let the grains block out the sun.  
It's shame is my companion,  
It will stay close til I'm done. It's time to reconcile.  
It's time to reconcile. Oh if I walk into the darkness I'll be lost.  
If I try to stay the light will show my false. [Instrumental] If I walk into the darkness I'll be lost.  
If I try to stay the light will show my false.  
If I walk into the darkness I'll be lost.  
If I try to stay the light will show my false.
