I'm Depending On God

Chorus:

I'm depending on God, God is depending on me.
I'm depending on God, God is depending on me.
I'm gonna faithfully serve, do what I can.
Spreading His word, leave the rest up to Him.
I'm depending on God, God is depending on me.

Verse 1:

Nehemiah prayed for the walls to be built 'round the city.
God's honor restored, for the sins of the people were many.
Nehemiah said, "Lord, here are my hands.
I'm ready to work, fulfilling your plan.
I'm depending on You and I know You're depending on me."

Chorus

Verse 2:

God has a plan, He wants to use everybody.
To do something for Him, brings Him honor and glory.
There is no task too small and no task too great.
If you're willing that's all He is needing today.
He's depending on you and He wants you to depend on Him.

Chorus

Tag Ending:

I'm gonna faithfully serve, do what I can.
Spreading His word, leave the rest up to Him.
I'm depending on God, God is depending on me.
