For All We Know

Cedar Walton

For all we know
We may never meet again
Before we go
Make this moment live again
We won't say goodbye
Until the last minute
I'll hold out my hand
And my heart will be in itFor all we know
This might only be a dream
We come and we go
Like the ripples, like the ripples in the stream
So baby, love me, love me tonight
Tomorrow was made for some
Oh, but tomorrow
But tomorrow may never, never come
For all we know
Yes, tomorrow may never, never come
For all we know
