

Baby You're So Repulsive

Crime

Baby you're so repulsive
Honey you're so sick
Baby you're so repulsive
Honey I'm a masochist
Baby, honey when I'm motor-bikin'
All around your town
Bad girl movin' forwards and then backwards
And I'm upside down You're so repulsive
Baby you're so repulsive
And you got me down
Baby you're so repulsive
Think I'm gonna hang around Baby, honey when I see you comin'
I just gotta run
Baby, I'm movin' faster and faster
I'm like a tommy-gun You're so repulsive Baby you're so repulsive
Honey you're so sick
Baby you're so repulsive
Honey I'm a masochist
Baby, honey when I'm motor-bikin'
All around your town
Bad girl movin' forwards and then backwards
And I'm upside down You're so repulsive So repulsive Baby
