

# How Bad Do You Want It?

[Don Henley](#)

Hey! You're leavin' tongue marks on the carpet  
I know what you're lookin' at  
You would walk on your lips through busted glass  
If you could get next to that You think this is love?  
Your education starts today  
So you think this is love?  
So tell me How bad do you want it?  
How bad do you want it?  
How bad do you want it?  
Not bad enough So you, you put a hold on happiness  
A day, a week, a year  
You got to bring somethin' to this party, boy  
If you party here And if you're lookin' for love  
You better look some other way  
If you're lookin' for love  
I have to ask you How bad do you want it?  
How bad do you want it?  
How bad do you want it?  
Not bad enough She gave you love and affection  
Enough to weather any season  
You found an excuse to walk away  
But you didn't find no reason And you talk about love  
But you don't know what it means  
Yeah, you talk about love  
So tell me How bad do you want it?  
How bad do you want it?  
How bad do you want it?  
Not bad enough  
Not bad enough How bad?  
B-b-bad enough
