For Life

Seabound

Look at the sky
Take one last look at the skyTrace of resentment
Out of the blue
Uncatchable
UnstoppableAnd then...A mood forecast
Desperate but true
and vain
You're on your knees again
Take a look at the sky
in time
One last look at the sky
It used to be you and ITake a look at the sky
in time
One last look at the sky
You and I, bound for lifeBound for lifeOutnummbered
Outgunned
Take position
Have fun
Outnummbered
Outgunned
Take position
It's going to be fun
