

For Life

Seabound

Look at the sky
Take one last look at the sky Trace of resentment
Out of the blue
Uncatchable
Unstoppable And then... A mood forecast
Desperate but true
and vain
You're on your knees again
Take a look at the sky
in time
One last look at the sky
It used to be you and I Take a look at the sky
in time
One last look at the sky
You and I, bound for life Bound for life Outnumbered
Outgunned
Take position
Have fun
Outnumbered
Outgunned
Take position
It's going to be fun
