

# Baby's Been Away

**Jenn Grant**

Now I know that love may grow like a wildflower\*  
You stay up for the thrill and drive all night  
Your reckless will  
[Chorus: ~Duet~:]  
Jenn: Youve got a notion to say  
Dan: Wooh you are  
Babys been away  
Ooh ooh by far  
Ooh ooh  
Youre a wildflower  
Out of the ground  
To wrap around  
To follow you downtown  
So take my word  
I promise you  
You are my world  
[Repeat Chorus:]  
Walked up and hit a nerve  
[Repeat:]  
[Repeat Chorus:]
