

# Concrete Angel

Melissa O'Neil

She walks to school with the lunch she packed  
Nobody knows what she's holding back  
Wearing the same dress she wore yesterday  
She hides the bruises with the linen and lace, oh  
The teacher wonders but she doesn't ask  
It's hard to see the pain behind the mask  
Bearing the burden of a secret storm  
Sometimes she wishes she was never born  
Through the wind and the rain she stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings and she flies to a place  
Where she's loved... concrete angel  
Somebody cries in the middle of the night  
The neighbors hear but they turn out the light

A fragile soul caught in the hands of fate  
When morning comes it will be too late  
Through the wind and the rain she stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings and she flies to a place  
Where she's loved... concrete angel  
A statue stands in a shaded place  
An angel girl with an upturned face  
A name is written on a polished rock  
A broken heart that the world forgot  
Through the wind and the rain she stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings and she flies to a place  
Where she's loved... concrete angel
