English Man 'O' War

Saxon

Crashing through the raging sea flagship of the line
Commander of the English fleet the greatest of her time
Searching the horizon a thousand leagues or more
Mighty winds will carry you onto bloody warChorus:
Let the four winds blow
the tempest come
Let the seas run high
'Till the battle's won
Let the Cannons roar
English Men of warBuilt of oak hard as steel master of the sea
Six Thousand yards of sail flies onto liberty
Call to arms man the deck soon the guns will roar
Ram the ball and load the shot this fight will take its tollChorus:
Let the four winds blow
the tempest come
Let the seas run high
'Till the battle's won
Let the Cannons roar
English Men of warYou hear the sound of iron shot smashing down the mast
Ripping through the flesh and bone ships's company stand fast
The battle raged on through the night flagship of the line
Bathed in pride and glory the greatest of her timeChorus:
Let the four winds blow
the tempest come
Let the seas run high
'Till the battle's won
Let the four winds blow
the tempest come
Let the seas run high
'Till the battle's won
Let the Cannons roar
English Men of war
Let the Cannons roar
English Men of war
