Wunderland

Lady Gaga

1 2 3 4 5 6 7
No good boys ever go to heaven
Bodies moving wunderland
Open mouth kiss and we dance
I can't believe c-c-can't can't believe that I met you..
Pink champagne
Merry balls spinin' 'round again
In this wunderland where I met you..
So DJ play
Let the record spin again
In this wunderland where I met you..
1 2 3 4 5 6 7
Hold your breath, count to eleven
(music, music, music, music)
Bodies moving wunderland
Open mouth kiss and we dance
I can't believe c-c-can't can't believe how I met you..

Pink champagne
Merry balls spinin' 'round again
In this wunderland where I met you..
So DJ play
Let the record spin again
In this wunderland where I met you..
Talk to me baby!
Talk to me baby!
Talk to me baby!
Talk to me baby, check my hand!
Talk to me baby, I got a plan!
I'll take you down
(Pink champagne)
(Spin again)
(Wunderland)
(DJ play)
(Spin again)
(Wunderland)
