

Lucy Leave

Wellwater Conspiracy

Leave, when I ask you to leave, lucy

 Please, far away from me, lucy

 Oh, go little girl

Seen, is (oh so) broken up about you, lucy

 Mean, treat me and done me harm, lucy

Been, in love with you and your charms, lucy

 Oh, go little girl

 I'm in love with you, lucy

 You got my heart

 You got my heart, oh no!

 You tear me apart

 You just won't let me go

You hold on so tight, so tight I just can't breath

 Now lucy leave, lucy

Leave, when I ask you to leave, little girl

 Please, far away from me, little girl

 Yeah! go little girl

Seen, is (oh so) broken up about you, lucy

 Yeah!

 Go.
