The Man Behind the Man

Infectious Grooves

I'm not here to hurt you
I got enough things that already hurt
I'm not here to hate you
I got much better things to hate
I'm not here to fight you
I wanna fight then I'll pick on myself
I'm just here to tell you
These freaks are here to party!
Infectious Grooves!
I'm not here to love you
You want love call "976-"
I'm not here to kiss you
You wanna kiss then you better kiss this
I'm not here to hold you
I'm holding enough xxxx as it is
I'm just here to tell you
These freaks are here to party!
Infectious Grooves!
I'm not here to smell you
I'm just here to tell you
These freaks are here to party
And I hope you come along and party too!
