

Many Faces

Moya Brennan

Chaill m daoine dna
Chaill m daoine fior
Chaill m daoine dna
San bealach roimhChaill m daoine dna
Chaill m daoine fior
Chaill m daoine dna
San bealach roimhSo many faces on many roads
By and by, heavy loads
Inside I scream, no one hears
This stage not what it seemsChaill m daoine dna
Chaill m daoine fior
Chaill m daoine dna
San bealach roimhChaill m daoine dna
Chaill m daoine fior
Chaill m daoine dna
San bealach roimhI'm missing places, you're missing time
By and by, hard to climb
We journey on, follow dreams
This life, what does it mean?
