## **Happy**

## **Never Shout Never**

You make me happy whether you know it or not
We should be happy, that's what I said from the start
I am so happy knowing you are the one
That I want for the rest of my days, for the rest of my days
Through all of my days You're looking so cool, you're looking so fly
I can't deny that when I'm staring you down right dead in the eye

I wanna try to be the person you want

The person you need, it's hard to conceive

That somebody like you could be with someone like meI'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more I wish

That we could lay here for hours and just reminisce

Uh, oh, ohYou're looking so fresh, it's catching my eye

Why oh, why did I not see this before

The girl I adore was right in front of me

And now I'll take a step back and look in your eye

And ask why it took so long to see we're meant to beI'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more I wish

That we could lay here for hours and just reminisceOn the good, the bad, the ugly

The smiles, the laughs, the funny

Or all the things we put each other through

It's for you, for you, for youYou make me happy whether you know it or not

We should be happy, that's what I said from the start

I am so happy knowing you are the one

That I want for the rest of my days, for the rest of my daysI'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more I wish

That we could lay here for hours and just reminisce

Uh, oh, oh
