

# Love's Holiday

## Wilbert Longmire

Would you mind  
If I touch, if I kiss, if I held you tight?  
In the morning light?Would you mind  
If I said how I felt tenderly tonight?Again 'cause, I never ever felt this way  
In my heart before, oh  
Love has found its way  
In my heart, tonight, yeahWould you mind  
If I looked into your eyes till I'm hypnotized?  
And I lose my prideWould you mind  
If I make love to you till I'm satisfied?Once again 'cause, I never ever felt, felt this way  
In my heart, oh before  
Love has found its way  
In my heart, tonightOnce again 'cause, I never ever felt this way  
In my heart before, oh  
Love has found its way  
In my heart, tonight, yeahOh love  
Would you mind, yeah, yeah, yeah, baby, oh yeah  
Would you mind, baby, yeah, yeah, yeah, alright  
Gonna look into your eyes till I'm hypnotized?  
Make love to you, baby, till I'm satisfied?  
Look into your eyes till I'm hypnotized?  
Make love to you, baby, till I'm satisfied?  
Look into your eyes
