War Inside

Todd Agnew

Do you feel the tension, do you?
Do you feel the grind?
Do you see the battle 'tween this
Flesh and soul of mine?'Cause there's a war inside of me
Between who I want to be
And who I amI do what I don't want to do
And don't do what I mean
I end up chasing all my nightmares
And abandoning my dreams'Cause there's a war inside of me
Between who I want to be
And who I amIs not who I want to be
Shackled like a slave when I know that I'm free
Wrong and right, truth and lie, death versus life
Everything in me is choosing sides
And the showdown beginsDo you feel the tension?There's a war inside of me
Between who I want to be
There's a war inside of me
Between who I want to be
And who I am, who I am
