

Butterfly (Sandstorm Dub)

[Kylie Minogue](#)

Mm mm
In the morning I'll wake up with you
There's not anything I would rather do you are more than you'll ever know
And your love teaches me 2 grow
you are more than my everything
And your love gives me wings Like a butterfly
And I'll dance in the sunlight
Like a butterfly
From the day in 2 the night Your touch
Is the 1 thing I know is true
My mind
Is completely devoted 2 you you are more than you'll ever know
And your love teaches me 2 grow
you are more than my everything
And your love gives me wings Like a butterfly
And I'll dance in the sunlight
Like a butterfly
From the day in 2 the night And it might not last more than a day
But I'll take my chances anyway
'cause my heart is saying it's 4 real
No-one else has made me feel this way
