

# Save Me (Off Axes Mix)

## Damageplan

Save me from myself I call out  
But no one hears my plea  
Burn my candle fast from both ends  
Nightmares grow from dreams You don't know  
You can't see through my eyes  
So you don't know me  
You don't know  
What's going through my mind  
But can you help me Save me from myself  
If you ever really cared  
Save me from myself  
Tell me you're not scared Intensity that grows within me  
Reflections of my pain  
I'll create or I'll destroy  
But either way it's always in my veins You don't know  
You can't see through my eyes  
So you don't know me  
You don't know  
What's going through my mind  
But can you help me Save me from myself  
If you ever really cared  
Save me from myself  
Tell me you're not scared Save me from myself  
If you ever really cared  
Save me from myself  
Tell me you're not scared Save me from myself  
If you ever really cared  
Save me from myself  
Tell me you're not scared Save me, from me  
Save me  
Save me  
Save me, from me
