

# Tonight, I Celebrate My Love For You

**Peabo Bryson E Roberta Flack**

Tonight, I celebrate my love for you  
It seems like the natural thing to do  
Tonight, no one's gonna find us  
We'll leave the world behind us  
When I make love to you.

Tonight, I celebrate my love for you  
And hope, that deep inside you feel it too  
Tonight our spirits will be climbing  
To a sky lit up with diamonds  
When I make love to you,  
Tonight.

Tonight, I celebrate my love for you  
And that midnight sun  
Is gonna come shining through  
Tonight, there'll be no distance between us  
What I want most to do  
Is to get close to you  
Tonight.

Tonight, I celebrate my love for you  
And soon this old world will seem brand new  
Tonight, we will both discover  
How friends turn into lovers  
When I make love to you

Tonight I celebrate my love for you  
and that midnight sun  
Is gonna come shining through  
Tonight, there'll be no distance between us  
What I want most to do  
Is to get close to you

Tonight, I celebrate my love for you  
Tonight
