

# Everything Has Changed (Feat. Ed Sheeran)

[Taylor Swift \(Www.ConRealFlow.Net\)](http://www.ConRealFlow.Net)

All I knew  
This morning when I woke  
Is I know something now  
Know something now I didn't before  
And all I've seen  
Since 18 hours ago  
Is green eyes and freckles and your smile  
In the back of my mind making me feel right

I just want to know you better know  
You better know you better now  
I just want to know you better know  
You better know you better now  
I just want to know you better know  
You better know you better now  
I just want to know you know you know you

Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is we held the door  
You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed

And all my walls stood tall painted blue  
But I'll take them down take them down and open up the door for you  
And all I feel in my stomach is butterflies  
The beautiful kind making up for lost time, taking flight, making me feel right

I just want to know you better know  
You better know you better now  
I just want to know you better know  
You better know you better now  
I just want to know you better know  
You better know you better now  
I just want to know you know you know you

Cause all I know is we said hello

And your eyes look like coming home  
All I know is a simple name,  
everything has changed  
All I know is we held the door  
You'll be mine and I'll be yours  
All I know since yesterday is  
everything has changed

Come back and tell me why  
I'm feeling like I've missed you all this time  
And meet me there tonight  
And let me know that it's not all in my mind

I just want to know you better know  
you better know you better now  
I just want to know you know you know you

All I know is we said hello  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is we held the door  
You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed

All I know is we said hello  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a newfound brightness  
All my days, I'll know your face  
All I know since yesterday  
Is everything has changed
