

Temphioth Workings

Antropomorphia

By the calls ov the averse eye
Luciferian light ov darkness
The abysmal depth ov subconscious paths
Embodiment ov liberation Summon the sigils to flesh
Dominus Satanas
Breed within me oh serpent ov black: Sub velamine mortis
Nigra veneficium
Antropomorphic apparition
Triangle ov darkness
Divine occultation
Illuminated by shadow and flame
The birthing knife ov libation
Envenomed as a starless night
(Solitude a) Vessel ov conscious awakening Summon the sigils to flesh
Blessed by thy darkness
Beyond the veil of the death
Clothed in a robe ov lamenting flesh
Tongues ov benevolence
Wraith ov the void (Arezura)
Mysteries ov the depths
Fiery adversary and patron ov the path
