

Bad Harmony

Frank Black & The Catholics

We don't know what we're talking about
That's just words in our libretto
I don't know if the some of our stretto
Will end up a terrible shoutWe left the ground and we floated above this town
That never got better
We got drowned in the sea of love
And I know that it's gonna get wetterBad harmony
We're like bad harmony
We're a couple wannabe's
Who do not know what they are doing
We're like bad harmony
We're like bad harmony
We are good company
Going down that road to ruinI hope we will better
I hope we will betterWe don't know what we're talking about
That's just words in our libretto
I don't know if the some of our stretto
Will end up a terrible shoutBad harmony
We're like bad harmony
We're a couple wannabe's
Who do not know what they are doing
We're like bad harmony
We're like bad harmony
We are good company
Going down that road to ruinI hope we will better
I hope we will better
I hope we will better
