

# The Way I Am

[Ana Johnsson](#)

I've been messed up  
tossed around  
I've been flying high just to  
get knocked down  
Always kept my feet on solid ground  
I'm a sinner, I'm a saint  
I've been creeping down the fast lane  
I'll rush this life at my own pace I'll race you down the highway  
So beat me if you can  
Life's the game that I play That's the way I am  
That's the way life goes  
This is who I want to be  
And that's the way it's gonna be  
That's the way I am  
Baby this I know  
In all of this insanity  
I'm everything I wanna be  
That's the way I am  
That's the way I am I'm known to be wrong, when I'm right  
I'm colorful in black and white  
I'm a beam of sunshine in the night  
I'm a snob, I'm sleaze  
I can make a fire freeze  
I come and go just as I please
