

# Swimming Pools

## Lloyd

I'm way past gone, and I just see the bottom of this bottle  
I just woke up to a room full of models  
Who know that I ain't calling them tomorrow  
It's been so long, since I have been on this level right here  
Waking up, after I passd out, I put my clothes on, before I mash out  
Cause I been losing my mind, wasting my time  
Fucking these hoes and sipping this wine  
Skipping the line to get in the side  
Playin the bottle n feeding them lies  
Shawty say she need a ride  
I tell her cool and get ready to slide  
Into my room, I hit her from behind  
Doing again like I'm pressing rewind  
Cause I ain't never babysitting, I been lining up shots  
I'm a show you how to turn it up a notch  
First you get a swimming pool full of liquor, then you diiive in it  
Swimming pool full of liquor, then you diiive in it  
I wave a few bottles, then I watch them all pop  
All the girls wanna play Baywatch  
I got a swimming pool full of liquor and they diiive in itPool full of liquor I'm a dive in it, ohhPour up, drank,  
head shot, drank  
Sit down, drank, stand up, drankPass out, drank, wake up, drank  
Faded, drank, faded, drank  
I'm way past gone, from the partying n bullshit  
Don't remember where I'm at, in a room full of bitches  
Music playing in the back  
Damn, time for me to get gone  
Cause I ain't supposed to be here  
Feeling faded, I'm so intoxicated  
And your girl, say she feeling X rated  
I'm gone cause I been  
Losing my mind, wasting my time  
Fucking these hoes and sipping this wine  
Skipping the line to get in aside  
Biting the bottle n feeding them lies  
Shawty say she need a rideI tell her cool and get ready to slide  
Into my room, I hit her from behind  
Doing again like I'm pressing rewindCause I have never babysitting, I be lining up shots  
I'm a show you how to turn it up a notch
