Footsteps

Steve Lawrence

Footsteps, Footsteps, Footsteps, Footsteps,
Why did ya say goodbye to me
And now I'm lonely as could be?
And as I feel a teardrop fall,
I hear your footsteps down the hall

Walkin' away from me.
Why did ya say goodbye?
Why did ya make me cry?
Now ev'ry day I wonder
Why, why, a-why, why, why, why?

You're such a haunting memory,
I pray that you'll come back to me?
But as I say my evening pray'rs,
I hear your footsteps on the stairs,

Walkin' away from me.
Why did ya say goodbye?
Why did ya make me cry?
Now ev'ry day I wonder
Why, why, a-why, why, why, why?
Footsteps, Footsteps, Footsteps, Footsteps, Footsteps.
