Wavelength

Colin James

Well there's somethin' on your radio
Comin' in like last call
Beatin' on my bedroom wall
Big beat for y'all
Yeah yeah yeahShe's burning like a flame thrower
Can't forget her wanna know her
All the hits come back to me
Buzzin' like a honey bee
Yeah yeah yeahTurn it on
Get it on my wavelength
Turn it on
Get it on my wavelength babySo mama can you find a cure
For the tired and the poor
We're all hungry underneath
But there's nothin' here to eatBaby now take off your paint
Say a prayer for Friday's saint
Life size and in your face
Superstar you got the grace
Yeah yeah yeahTurn it on
Get it on my wavelength
Turn it on
Get it on my wavelength babyOutside certified getting high undignified
Setting like a sunset sitting like a silhouette
Turn it on get it on my wavelength
Turn it on get it on my wavelength baby
Turn it on get it on my wavelength
Turn it on get it on my wavelength baby
