Advisory - the following lyrics contain explicit language:

My heart has burst into a thousand pieces tonight  
My heart has burst into a thousand pieces tonight  
London hides her starry night  
She covers them all up with lightMy heart has burst into a thousand pieces tonight  
Please, would you watch over me if I sleep?  
Pull me from the safety zone when I'm weakImagine how a father feels to witness his son in a fight  
Imagine how a father feels to witness his son in a fight  
London hides her starry night  
She covers them all up with lightMy heart has burst into a thousand pieces tonight  
Please would you watch over me if I sleep?  
Pull me from the safety zone when I'm weakPlease, would you watch over me if I sleep?  
Pull me from the safety zone when I'm weakI made my place at this table  
I'll pass the tears if I'm able  
Don't pick up the pieces  
Don't pick up the pieces  
Don't pick up the pieces  
Don't pick up the piecesMy heart has burst into a thousand pieces tonight  
My heart has burst into a thousand pieces tonight  
Please would you watch over me if I sleep?  
Pull me from the safety zone when I'm weakOh please, would you watch over me if I sleep?  
Pull me from the safety zone when I'm weakDon't pick up the pieces  
Don't pick up the pieces
