# Swamp Cult

## 3:33

I'd like to report a missing person
The last time she was seen
She was walking in the woods where the killer is said to be
Step into the basement through pools of human waste
Bound for torture and disgrace
Until the Swamp Cult takes your life

The new girl in town
"Join the Swamp Cult"
We'll snuff you out
"Join the Swamp Cult"
We only want whats best for you
Your'e beaten, Your'e bloody, Your'e blackk and blue
We'll snuff you out

If you run your'e gonna die
Swamp Cult killer takes your life

It's a goddamn bloodbath in this place
Bodies thrown into the fray
We find them in the woods where the cult is supposed to be

If you run your'e gonna die
Swamp Cult killer takes your life
