

# Always Somewhere Close

## Lifehouse

You take the weight  
You take it all  
You can take everything  
I'm feeling so tight and for so long  
I need you now  
I need you next to me(Chorus)  
It doesn't matter where you go  
You still a part of me  
I don't know much but I know  
You always somewhere  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You always somewhere close  
And I can't wake up from falling down  
And I can be hard on me  
But in the end, I'm back again  
You never too far  
From knowing where we are yeah(Chorus)  
It doesn't matter where you go  
You still a part of me  
I don't know much but I know  
You always somewhere  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You always somewhere close Whenever I feel lost and all alone  
You always somewhere close  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You always somewhere close(x4)
