

# Beatnik

## Silage

I could be a hypocrite, just full of it  
Another lunatic, or weird beatnik  
I could be wasting you time  
For the sake of a rhyme  
Just making a dime  
Or more for Sub Lime I could be rambling on, and on, and on  
I could be singing this song so you can sing along  
I could be going off, and off, and off  
I could be singing this song so you can sing along So where does the Love flow from?  
Where does the Truth come from?  
The Love, above, the Truth, the Son  
The Love, above, the Truth, the Son I could be telling a lie, taking you for a ride  
Just giving a line to buy me some time  
I could be fooling y'all, you know?  
Twisting your arm  
Set you up for a fall  
Just to make you feel small A could be telling the Truth just to give it to you  
I want to give it to you 'cause it's the Truth
