

Let's Fall In Love

Frank Sinatra

We might have been meant for each other
To be or not to be, let our hearts discover
I have a feelin', it's a feelin' I'm concealin', I don't know why
It's just a mental, incidental, sentimental, alibi But I adore you, so strong for you, why go on stallin'?
I'm fallin', love is callin', why be shy? Let's fall in love, why shouldn't we fall in love?
Our hearts are made of it, let's take a chance
Why be afraid of it? Let's close our eyes and make our own paradise
Little we know of it, still we can try to make a go of it
Now, we might have been meant for each other
To be or not to be, let our hearts discover
