Every Time I Look At You

Kiss (1992)

I used to think that I was strong
I realize now I was wrong
'Cause every time I see your face
My mind becomes an empty space
And with you lying next to me
Feels like I can hardly breathe
I close my eyes the moment I surrender to you
Let love be blind, innocent and tenderly true
So lead me through tonight but please turn out the light
'Cause I'm lost every time I look at you

And in the morning when you go
Wake me gently so I'll know
That loving you was not a dream
And whisper softly what it means to be with me
Then every moment we're apart
Will be a lifetime to my heart
I close my eyes the moment I surrender to you
Let love be blind, innocent and tenderly true
So lead me through tonight but please, please turn out the light
'Cause I'm lost every time I look at you, lost every time I look at you
