Superman

Unwritten Law

Well, you've been on my mind
And I don't think I have the time
To listen to your voiceI've heard it all before
It's been seeping through the floor
Shut behind closed doorsBut I can see right through you now, yeahThe beneficial lies
Are told to keep us with closed eyes
Shading what's in storeI guess it's up to me, yeah
To find the lock and turn the key
And open up these doorsBut I can see right through you nowOh yeah, I'm Superman
A three-piece suit, a master plan
Here I come to save the dayOh yeah, I'm Superman
A three-piece suit, a master plan
Here I come to save the day, yeah, yeahAnd you've been on my mind
I don't think I have the time
To listen to your voiceI've heard it all before
It's been seeping through the floor
Shut behind closed doorsBut I can see right through you nowOh yeah, I'm Superman
A three-piece suit, a master plan
Here I come to save the dayOh yeah, I'm superman
A three-piece suit, a master plan
Here I come to save the day, yeah, yeahI don't wanna follow
You can't make me follow
I don't wanna follow
You can't make me follow now, yeahOh yeah, I'm Superman
A three-piece suit, a master plan
Here I come to save the dayOh yeah I'm Superman
A three-piece suit, a master plan
Here I come to save the day, yeah, yeah
